

TAMPA BAY ABORTION FUND

2021 Impact

TBAF STARTED 2021 WITH A BUDGET OF \$65,000 AND AN EXPECTATION OF 50 CALLERS PER MONTH, WITH \$5,000 PLEDGED ON AVERAGE PER MONTH ...

By march, we realized this was not sustainable, as callers almost **DOUBLED**. By the fourth quarter, our monthly pledges had more than **TRIPLED**.

910 CALLS RECEIVED with two intake volunteers and 1 part-time intake intern

IN 2021: 614 CALLERS FUNDED WHICH IS OVER TWICE THE NUMBER OF CALLERS FUNDED IN 2020

67% OF TOTAL CALLS FUNDED

DISTRIBUTION OF 2021 FUNDS:

OVER \$90,000 DISTRIBUTED IN CLIENT FUNDING

OVER \$83,000 OF THIS WAS SPENT IN DIRECT PLEDGES TO CLINICS

OVER \$8,000

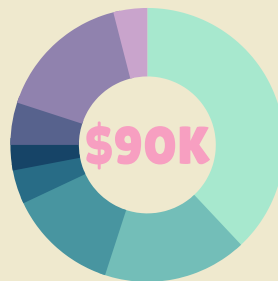

IN PRACTICAL SUPPORT FUNDING:

Transportation, lodging, meals, medication supported by a team of eight driver/childcare volunteers.

CLIENT FUNDING GEOGRAPHICALLY:

80% of funding went to callers from Florida, while 20% went to solidarity funding for out-of-state clinics (4% of which was for Texans).

In the Greater Tampa Bay Area,
38% from Tampa
17% from Clearwater
13% from St. Petersburg
4% from Lakeland
3% from Sarasota
